

WCE Research Symposium on Computing - RSC 2021

FIFTH NATIONAL RESEARCH SYMPOSIUM ON COMPUTING

ON

19th to 21st March 2021

National Level Joint Event by WCE ACM Student Chapter

and Department of CSE and Department of IT (WCE,Sangli) and Jabalpur College of Engineering, Jabalpur

At Walchand College of Engineering, Sangli.

Poster Presentation Rubrics

Name of Examiner :

Signature :

Sr. No	ID	Name of the participants	Title	Topic Selection (5)	Organization of Poster (10)	Content (10)	Methodol (10)	Implementa and Results (5)	Question/ Answers (10)	Total (50)
1	2	Akash Sajjan, Dr. Medha Shah	Managing EHRs using Blockchain for Ehealth System							
2	3	Kajal Patil and Nitin Gavankar	Automation-as-a-Service(AaaS) for IDPA							
3	4	Vaishnavi Badgire and Nitin Gavankar	Calibration and Asset Management Software							
4	5	Rachana Jadhav and Vikas Honmane	Memes Classification System Using Computer Vision and NLP techniques							
5	7	Rajeshvaree Karmarkar and Vikas Honmane	Object Detection system for the blind with the help of voice guidance							
6	8	Aditya Karmalkar and Dr. Bashirahamad Momin	Generating Application to handle Snapshots in Google Cloud Platform							
7	9	Prasad Kumbhar and Anil Surve	Calibration Software: Performance Analysis							
8	10	Prasad Kumbhar and Anil Surve	Smart Agriculture and Data Analytics System Using IoT Technology							

9	11	Samyak Shravasti and Manik Chavan	Smishing Detection using Long Short-Term Memory Recurrent Neural Networks							
10	12	Swarup Fule and Nitin Gavankar	Software simulators for industrial machines
