

WCE Research Symposium on Computing - RSC 2021

FIFTH NATIONAL RESEARCH SYMPOSIUM ON COMPUTING

ON

19th to 21st March 2021

National Level Joint Event by WCE ACM Student Chapter

and Department of CSE and Department of IT (WCE,Sangli) and Jabalpur College of Engineering, Jabalpur

At Walchand College of Engineering, Sangli.

Poster Presentation Rubrics

Name of Examiner :

Signature :

Sr. No	ID	Name of the participants	Title	Topic Selection (5)	Organization of Poster (10)	Content (10)	Methodology (10)	Implementation and Results (5)	Question/Answers (10)	Total (50)
1	14	Pooja Kabade and Nitin Gavankar	Object Detection in Underwater Images Using Deep Learning Algorithm							
2	15	Apurva Patil and Hetal Gandhi	Emotion Detection in Text Streams by Analyzing Twitter Data							
3	20	Kanhaiyya Khandagale and Hetal Gandhi	Sarcasm Detection in English-Hindi CodeMixed Tweets.							
4	25	Pragati Malusare and Medha Shah	Blockchain-Based Soybean Traceability inAgricultural Supply Chain							
5	26	Aditya Chinchankar and Anant Umbarkar	Harmony Search Algorithm for Solving Asymmetric Travelling Salesman Problem.							
6	27	Supriya Sathé and Prof.Bharti Shetty	Energy Efficient Localization Using Machine Learning							
7	28	Anuja Tapase and Dinesh Kulkarni	Performance Improvement of Graph							

			Partitioning on Many-core System							
8	37	Akash Hatalge and Bashirahamad Momin	Human Intelligence Analysis and Detecting Scenarios using Artificial Intelligence based on Human Computer Interaction in Education System							
9	38	Vaibhav Mali and Anil Surve	Prediction and Detection for Stress by using Machine Learning and IoT
